

## SP-205/8

Order No.: 10.4460

**Price upon request**

### PRODUCTINFOS

**Universal full range speaker, 8 W, 8  $\Omega$**

- Dual cone
- For PA applications and other purposes
- Particularly suitable for multiple arrangements in column speakers
- Excellent sound quality

### **Klang+Ton 06/2013**

"Built into an open cabinet (Cheap Trick 269), this speaker provides features which are clearly above its price class and can clearly be considered high-end. Like all the other full range speakers of this design, it also needs a break-in period to demonstrate its full capability. After about 6 months, you wouldn't give this speaker back, not even for far more than you paid for it."
